In the Monte-Carlo Plaza, one of the most prestigious residences on rue Guynemer, discover this beautiful 3-room apartment located on the 8th floor, benefiting from a privileged environment and high quality services.

Completely renovated with care and presented in a near-new condition, this apartment immediately seduces with its elegance, brightness and the quality of its layout.

From the entrance, a fully equipped contemporary kitchen, embellished with a central island, opens harmoniously onto a beautiful living room. This is extended by a balcony offering a pleasant unobstructed view of the sea and Monaco.

The sleeping area consists of two bedrooms. One of them has a large dressing area, the volumes of which also allow the creation of an additional shower room.

A bathroom with bath and toilet as well as a guest toilet complete the set.

The Monte-Carlo Plaza offers its residents particularly sought-after services, including a swimming pool located on the 8th floor, on the same level as the apartment, as well as a gym on the 7th floor.

A parking space and a cellar complete this property.

A privileged address, a luxury residence and a ready-to-live apartment: a rare property, ideal for a main residence, a prestigious pied-à-terre or a heritage investment at the gates of Monaco.
